

Assessment Coversheet for Individual and Group Assessments: Declaration concerning Academic Integrity and Use of Generative Artificial Intelligence (genAI)

*It is **COMPULSORY** to complete and submit this coversheet to all assessments that you submit*

Student Name(s):	
Student ID(s):	
Unit Code and Name:	
Assessment title:	
Date:	

Student Declaration of Academic Integrity. Please check all boxes to indicate your declaration.

By submitting this document, **I/we** declare that:

- I/we** have read and understood the Sydney Met [Academic Integrity Policy and Procedure](#) (‘the policy’). **I/we** understand that there are serious penalties for breaching the policy (outlined in the policy).
- I/we** have read and understood the Unit Outline and Assessment Information about this assessment task and understand that this is **an individual / a group assessment**. **I/we** also declare that this cover sheet includes the name of all of those who have contributed to this assessment and that the assessment follows the guidelines for length specified in the Unit Outline and Assessment Information.
- I/we** undertake that **I/we** have completed this assessment in accordance with the Sydney Met [Academic Integrity Policy and Procedure](#) and with the information provided in the Unit Outline and the Assessment Information about this assessment.
- I/we** undertake that this assessment item is entirely **my/our** own original work, except where **I/we** have acknowledged the use of source material (books, academic and professional journal articles, websites, other published material, GenAI, and/or the work of other student/s or of any other person/s).

By submitting this document, **I/we** understand that:

- The person marking the document may provide a copy of the document to another staff member at Sydney Met, for the purpose of assessment.

- Written assessments will be analysed using the text matching software Turnitin, and that Turnitin compares the submitted text against a database of internet, scholarly, and student paper content and also retains a copy of each paper for future comparison.

Student Declaration of use of GenAI. Please check all boxes to indicate your declaration.

By submitting this document, **I/we** declare that:

- I/we have read the Unit Outline and Assessment Information for this Unit and understand how genAI is allowed to be used in completing this assessment.

I/we used genAI in the following ways in completing the assignment:

- I/we did not use any genAI software, such as ChatGPT; DeepL; or Grammarly
- I/we used genAI for brainstorming ideas
- I/we used genAI to improve the writing and grammar
- I/we used genAI for other uses (*please state below*)

By completing this document and submitting it with this assessment task I/we declare that the information provided above is true and correct.
